

Cures Baby's Summer Ills—FREE

The mother should watch her baby very carefully these hot days. If it refuses to play and to eat, if it is peevish and crying, look to the action of its bowels, for these lie the basis of health. Be careful of its diet. The food and water are germ laden. The fruit is too often over-ripe or unripe. If it has any indication of sickness, either in the form of constipation or diarrhea, give it a reliable tonic laxative like **DR. CALDWELL'S SYRUP PEPSIN**. This remedy is a standard in thousands of American homes for just such purposes. It is a favorite with children because its taste is pleasant, and it never gripes. It is the one remedy best suited to the cure of constipation, indigestion, liver trouble, biliousness, sick headache, summer complaint, etc. It is equally as good for grown people, and we know thousands who no longer use strong salts, purgative waters, tablets, pills and such things, but take the surer, more gentle and pleasanter **DR. CALDWELL'S SYRUP PEPSIN**. It can be obtained at any druggist at 50 cents or \$1 a large bottle. The entire family can use it, and as these ailments arise suddenly the head of the house should see to it that a bottle of **DR. CALDWELL'S SYRUP PEPSIN** is always at hand.

Those who have never yet used **DR. CALDWELL'S SYRUP PEPSIN** and would like to make a test of it before buying in the regular way of their druggist, can obtain a FREE BOTTLE of the medicine for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out if it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "MOTHERS' SUBSIDIES TO NUTRITION" containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is: **Dr. W. B. Caldwell, 527 Caldwell Bldg., Monticello, Ill.**
